

Video Title: Angela Lucien, Physician's Assistant

Student Name:	Date:
----------------------	--------------

Answer the following questions:

Where is Angela from, and what clinics does she visit for her job?
How much education, after high school, does someone need to have this job and what are 2 possible options for that education?
What were some other career options she thought about?
Does she see patients and is that the main part of her job? What else does she do?
Is there a national test required for this job?
Where did she go to college and then receive her advanced training?
What advice does Angela have for students that think they may want to pursue this career and what kinds of experience can help you get into school for this career?

Is this job important to your community and why or why not?

Is this job important to your community and why or why not?

If you could ask this person one question, what would it be?

Write a paragraph about why you think this job is important and why (or why not) it might be something you want to pursue.
